Join us at SRM ANATCON 2024, the 45th Annual Conference of the Association of Anatomists in Tamil Nadu, on September 14th and 15th 2024, at SRM Medical College Hospital & Research Centre. This year's theme is "A - Trifecta of Innovation: Anatomy, AI & Advancement". Our aim is to provide a platform for academics and researchers to showcase their findings and engage in meaningful exchange of ideas.

About SRM University:

SRM University, envisioned by Dr. T.R. Pachamuthu, offers a nurturing academic environment, providing a broad range of undergraduate, postgraduate, and doctoral programs in Engineering, Management, Medical & Health Sciences, and Science & Humanities. With a commitment to excellence reflected in its NAAC A++ grade accreditation and Category A ranking by the Indian government, SRM prioritizes modern teaching methods, fosters global connections for research and student exchange, and actively encourages knowledge sharing.

About the Anatomy Department:

Established in 2005, the Anatomy Department is fully equipped to groom future doctors and healthcare professionals. Our experienced and highly qualified faculty make coursework a breeze, while expert technicians are on hand to assist eager students in advanced research. Both faculty and postgraduate students are encouraged to explore advanced topics in anatomy, with ample resources available for research. Join us in advancing the field of anatomy and shaping the future of healthcare.
